## POST RANCH SPA INFORMATION

The Post Ranch Spa is now open and operating safely per Monterey County guidelines. Spa services are available in any of our four treatment rooms. To prioritize the health and well-being of both our guests and team members, we are offering a modified menu of spa services and have reduced the capacity of our treatment areas. Each treatment room will 'rest' for a minimum of 30 minutes between appointments to allow for the deep cleaning and sanitization of the room.

Due to high demand, spa appointments tend to fill up quickly and we are unable to guarantee last-minute availability. Advance reservations are required for all spa services and we strongly recommend making your reservations at least 4-6 weeks in advance. All services are subject to availability and change.

### Spa Services: Daily from 10 am – 6 pm

#### What to Wear

In compliance with the mandatory California order, both guests and therapists are required to wear masks for the entirety of all spa services. Complimentary masks will be available for guests. If you reserve a spa treatment, wear comfortable clothing or your robe. During all treatments, you are appropriately draped.

#### Spa Reservations and Policies

If you wish to cancel or reschedule your spa service, please call at least 24 hours prior to your appointment time to avoid a cancellation fee of 50% of the service. Missed appointments with no notification are subject to 100% of the service rate.

Post Ranch Spa exceeds all state, local and regulatory guidelines relating to sanitation and hygiene. As a part of that initiative, we will be monitoring the health status of all of our employees on a daily basis. We ask you to refrain from visiting our spa if you have a fever or a communicable illness.

*Please Note: Some service availability may be impacted by current state and local regulations that limit certain categories of services. We will inform you of any need to reschedule or cancel your appointment due to ongoing regulatory updates.*
